## *The Fine Print*

Students must maintain a neat and clean appearance at all times. Appropriately sized uniforms must be properly worn throughout the school day. Shirts must be tucked in as required, knee socks pulled up, and all clothing must be in good repair. Items of apparel or accessories not included in the official description of the dress requirements are not allowed. This includes oversize clothing or styles of clothing that do not fit properly.

Each division has school uniform guidelines specific to its students. These policies can be found in each division's section of this handbook and in this style book.

The administration will render the final decision on the interpretation of the dress code and personal appearance.
